QUICKLY...

MAKE MORNING COME QUICKLY...

DO YOU WANT
ANYTHING TO
DRINK? YOU
SHOULD EAT
SOMETHING
TASTY.

YANG TAE-SOO (27)
WORKS AT A PC-BANG*

This good-looking guy here is Tae-soo-kyung. He's the oldest of our group. He's a little skinny, and can be too straightforward, but I think he's a good person.

*PC-bang is a place where you pay to use the computer and play games, basically.

DO YOU WANT
ANYTHING TO
DRINK? YOU
SHOULD EAT
SOMETHING
TASTY.

Youn-jung-nyeon is Peack-sool from yesterday. Her face is really long and thin, which makes her look a lot older, but she's actually my High school senior,* only two years my senior.

HAN YOON-JUNG (21)
COLLEGE STUDENT

NOW, YOU'RE
BLOCKING THESE
DAMN CIRCLES?
WELL, YOU
WATCHED POON
ALL NIGHT?

JO HAN-SIK (25)
UNEMPLOYED

Rik... Han-guk-kyun... He claims to have like... most paranormal experience, but I don't believe him. I don't like him for some reason. He hasn't done anything to me personally, but... anyway, he's an occult fanatic.

And/

So-Hee-
noona!

...

Permanent bags under her eyes. Claims to be in communication with her grandmother's spirit, says she can see ghosts here and there... well, the most important thing is, she's pretty. She reminds me of Wednesday from The Addams Family. This noona is only a year older than me and doesn't talk much, but she isn't antisocial or anything.

WOO SO-HEE (20)
COLLEGE STUDENT

I WANT A
SLUSHIE.

Lastly, the
High school
senior, me.

GU SANG-YEOP (19)
HIGH-SCHOOL STUDENT

AND THAT'S HOW WE BEGAN
BULGARING THAT HOLE
